

We can be thankful that God has allowed us to move forward with the new building project. The building committee hopes we can break ground by the first of August.

For the next year we ask that you please be patient as we may face some issues that come with the building. Parking will become an issue.

We will be doing everything we can to accommodate, but chances are your old parking spot will be gone. At some point, when the windows are removed from the old sanctuary, we may have to have worship in the fellowship hall temporarily – perhaps only a Sunday or two. These are a couple of examples, but there will be more.

Pray for our ministries. Pray that they will continue to be strong and effective through this transition. Pray for our building committee. I leave you with this poem.

*A Builder Or a Wrecker (Author Unknown)*

*As I watched them tear a building down  
A gang of men in a busy town  
With a ho-heave-ho, and a lusty yell  
They swung a beam and the side wall fell*

*I asked the foreman, "Are these men skilled,  
And the men you'd hire if you wanted to build?"  
He gave a laugh and said, "No, indeed,  
Just common labor is all I need."*

*"I can easily wreck in a day or two,  
What builders have taken years to do."  
And I thought to myself, as I went my way  
Which of these roles have I tried to play?*

*Am I a builder who works with care,  
Measuring life by rule and square?  
Am I shaping my work to a well-made plan  
Patiently doing the best I can?*

*Or am I a wrecker who walks to town  
Content with the labor of tearing down?  
"O Lord let my life and my labors be  
That which will build for eternity!"*

Press On, J. Todd Horton

**Fellowship of Encouragement**

*We should not stop gathering together with other  
believers, as some of you are doing. Instead, we  
must continue to encourage each other even more as  
we see the day of the Lord coming.*
